PLAINTIFF'S  
SECURED RIGHTS  
TO FILE  
CIVIL ACTIONS  
AGAINST THE  
GOVERNOR AND  
ATTORNEY GENERAL  
OF THE STATE OF  
WASHINGTON  
NOTICE OF INTENT  
" SPECIAL SEPT. 11th  
EDITION"

COMES NOW, the Plaintiff Kyle Lydell Canty  
In Propria Persona, and of Sui Juris  
On this 5th day of September year

2017, hereby moves this Court With this legally binding document and notice of intent pursuant to Common Law, U.S. Const. Law, United States Code "U.S.C., Fed Civ P, and any other Federal Acts or Laws.

## Statement of issues

For reasons that are unclear, but clearly "not wise" The Governor and Attorney General of the State of Washington allowed it's Courts, officers of it's Courts, it's City of Seattle, and it's County of King to falsify the "Certification of Probable Cause Statement", hide multiple Security Camera video's from department stores that clears one's name, and remove evidence from the alleged victims medical records that proves that the alleged victims are clearly lying. Sadly The Governor and Attorney General of the State of Washington's actions caused the Plaintiff Kyle Lydell

Canty to be illegally Convicted and Sent to Prison. Should the Plaintiff Pursue his Secured rights to file Civil Actions against the Governor and Attorney General of The State of Washington? Will the Federal Courts try to protect the Governor and Attorney General of The State of Washington?

### Statement of facts

The Plaintiff's Doc# 401358, E107. The alleged victims are the City of Seattle and it's officers Canek Gordillo, and Chris Scott Myers.

### Evidence relied upon

The Plaintiff Kyle Lydell Canty rely on the Completely falsified "Certification of Probable Cause Statement and other documents that clears his name and proves his innocence, including the alleged victims own medical Records and the Plaintiff's medical Records.

## Relief Requested

The Plaintiff Kyle Lydell Canty requests that his name ~~is~~ is Completely Cleared of all Charges and a legislative Bill Passed in his name in order to fight against this type of terrorizism/Corruption

## Legal Argument

Has the Supreme and Federal Courts already Said that Corruption on a government level is Unconstitutional? IS it the Job of the Governor and Attorney General of the State to prevent and help fight against official government Corruption according to United States Code U.S.C. and other Federal Acts or Laws?
